

Keep calm & shine on

How to keep your pets safe and happy during bonfire night

KNOW THE SIGNS OF STRESS

Heavy panting or drooling

Unexpected soiling

Barking or hissing

Shaking

Hiding

Aggression

TOP TIPS FOR KEEPING CALM

Keep them indoors. During times when there's likely to be fireworks.

Act normal. Appearing worried may make your pet anxious.

Have a safe space. Where your pet can hide and feel comfortable.

Feed them earlier. Firework stress may cause pets to avoid food.

Drown out noise. By playing music or having television on.

If your dog is anxious around fireworks. Consider seeing your vet for help and advice on the options available.
